
Cookie Policy

Last updated: 16 June 2026.

What cookies are

Cookies are small text files a website stores on your device. Spotfit Finder uses only the cookies it needs to work and to remember your preferences.

Cookies we use

- spotfit — session cookie, strictly necessary. Keeps you signed in. Expires when you close your browser.
- spotfit_remember — functional. Set only if you tick "Remember me", so you stay signed in. Lasts as long as the admin configures (14 days by default).
- cofinder_lang — functional. Remembers your chosen language (English, Finnish or Spanish). Lasts about a year.
- spotfit_cookie_ok — functional. Remembers that you dismissed the cookie notice, so it is not shown again.

No tracking or advertising

We do not use analytics, advertising or third-party tracking cookies. Because our cookies are strictly necessary or functional, we show you a short notice rather than asking for consent to tracking.

Managing cookies

You can delete or block cookies in your browser settings. Note that blocking the strictly necessary cookie will prevent you from signing in.

Changes and contact

If we ever add non-essential cookies, we will ask for your consent first and update this page. Questions: privacy@conexion.fi.
